Suspension Coverage You Can Count On!

When you have forty tons of truck and a load of profit riding on your suspension parts, it makes sense to trust the name that is setting the industry standard for availability, dependability and technical support. With Triangle Flagg suspension parts, fleets don't have to hunt for that hard to find part, or worry that they'll not get the right fit.

Remanufactured Injectors & Pumps

~ Electronic & Manual ~

Have you noticed ...

- ... any loss in power?
- ... difficulty starting?
- ... your fuel mileage decreasing?
- ... your engine is running a little rougher

or mileage creeping into or past the 500k - 600k mark?

Any of these problems can come from a failing or tired fuel system.

Maybe it is time to have your fuel system checked out!

Power Your Grain Trailer:

Rite-Trap™ by Roll-Rite®
Torque variations available to power any door, even strap doors. Benefits and standard features include:

- True 1-pin manual over-ride
- Work light button control
- Single RF remote for up to 3 motors
- Easy-to-install universal hinge mount
- Allows 2-speed gear box to stay in place
- Easily transfers from old to new trailer

Roll-Rite® Power Tarp Kits
Roll-Rite® versatile, patented knuckle-pivot arm technology powers most existing manual roll tarps. Choices, benefits and standard features include:

5 / 1-Year Power Kit:

- Dual-arm secure lock-down coverage
- Locking collar secures axle end
- Universal Mount for square or slope nose
- Limited Spring Tension

5 / 5-Year Power Kit:

- Square, Slope, Catwalk Mount Variations
- Single or Dual Arm Variations
- Adjustable Spring Tension

Black Box™ Wireless Remote Control

- * Flanges 5" x 3.8" HSLA 100,000 yield
- * Crossmembers 4" 80,000 yield junior I-beam at 16" centers
- * Siderail 6" structural c-channel
- * Load rating 68,000 GVW, 50,000 lb., in any 10' increment

Truck Bodies

TAFCO took the frameless grain trailer design a step further when they designed the revolutionary SCOTT GRAIN BODY which has replaced the old wood stake and slat bodies of yesteryear. This design offers light weight and high strength.

Also check out Scott's Level Lift Hoist!

MANUFACTURING CORPORATION

Established 1946

ALUMINUM GRAIN BODIES

LATEST IN GRAIN BODY DESIGN

Kann bodies are carefully welded resulting in a dependable and durable unitized unit. With 92" of interior clearance and square corners, these units are ideal for palletized loads as well as bulk. Care was taken to eliminate any obstruction which could tear or damage bags.

HOPPER BOTTOM PUP TRAILER

The KANN Pup Trailer has a steerable front axle to decrease tire wear and body stress under heavy loads. The steerable axle can be locked when backing. It utilizes an adjustable tongue to achieve maximum loading and still meet DOT requirements!

AGRI-COVER EZ-LOC ROLL-UP TARP

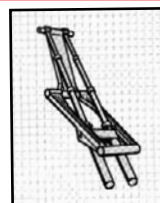

Fast & Easy Installation

Genuine Shur-Lok® Roll Tarps

Shur-Lok® Roll Tarps have been the preferred tarp system in the agricultural market for over 20 years. We have modified this popular tarp system to fit farm trucks, silage boxes, fertilizer spreaders, fertilizer tenders, grain carts and wagons. Call Vander Haag's TODAY to find out more!

- Home of the Original Shur-Lok® and Other Tarping Solutions
- Genuine Shur-Co.® Replacement Parts
- Genuine Shur-Co.® Tarps Custom Fit to Your Specifications
- Easy Operation and Upgrades

AMERICA'S FIRST NAME IN LIFTGATES

HUNTER DIGITAL LASER ALIGNMENT SYSTEM at our Spencer, Iowa Location

Between 70 and 80 percent of heavy duty vehicles on the road today are misaligned!

Experts recommend a minimum of 2 to 3 alignments per year or every 50,000 to 60,000 miles!

Problems created by misalignment:

- Excessive tire wear
- Unsafe vehicle handling characteristics
- Driver fatigue and driver retention
- Increased fuel consumption caused by increased rolling resistance
- Premature suspension component wear

PAINTING & SANDBLASTING & FIBERGLASS REPAIR
We have an 18' X 54' Paint Booth where we will make your truck or trailer look like new. NO JOB IS TOO BIG OR TOO SMALL. Let us help you today!

FRAME REPAIR & STRAIGHTENING
Vander Haag's can reduce downtime on your truck. The Chief Truck E-ZLiner can straighten & align fast...100 tons of pulling power...simultaneous multiple pulling action for almost everything on the road today! Trucks-Tractors-Buses-Motor Homes-Trailers. Allows us to pull out the damage... Just as it went in!

We can turn this.. **...INTO THIS!**

- * Anti-lock brake system (Rockwell Wabco).
- * 2-speed/50,000# landing wheels.
- * Sealed wiring system -- all required ICC lights and reflectors.
- * Stake pockets on 24" centers with 3/8" x 2" rub rails.

End Dump Belt Trailers

Dump Bodies

BLACK BELT

- Extreme Material Delivery System

Extremely rugged. Extremely efficient. Extremely versatile. Extremely extreme! The Henderson BlackBelt handles it all with ease. Rip-rap. Rubble. Gravel. Sand. Boulders. Asphalt. The BlackBelt has a 54" wide pure belt delivery system that is both tough and high temperature tolerant. No chains to add costly maintenance and down time.

MARK THREE

- Utility Dump Body

A "every day" sized dump truck with the ruggedness of its bigger relatives. Clean unibody design with one-piece floor. Easy to install, optional steel side boards accommodate larger loads.

MAGNUM

- Rock & Demolition Body

The Magnum is available in 12' to 19' lengths, it is designed heavy for demolition, but is also offered in light weight steels like the 3mm AR500 for general hauling. It's elliptical design is virtually self-cleaning and the 5" formed long sills provide for a low mounting height and a lower center of gravity.

MARK TWO

- Single Axle Dump Body

This single-axle unibody dump body proves that lightweight and rugged go together. There's not a tougher utility body anywhere. It comes in lengths ranging from 10' - 12' with side heights of 24" or 30".

MARK FOUR

- Contractor Dump Body

A contractor's best friend. Need versatility? This is it. Optional split drop-sides let you decide what to unload where. Add optional steel side board and you'll increase load capacity nearly 100%.

Introducing the New MARK E

- Tandem Axle Dump Body

The Henderson Engineering Team pulled out all the stops this time to design a dump body that would allow each customer to fully customize and make his body his very own.

Bradford Built

**MANY STANDARD FEATURES
MANY STANDARD SIZES**

- * Powder coat paint
- * Receiver-type bumper hitch with D-rings
- * 6" Flip-down side rails on greasable hinges
- * Flush mounted tie rings * 30,000 lb capacity recessed gooseneck ball
- * Stake Pockets* 7-pin trailer plug-in * Mud flaps * Sealed beam lights

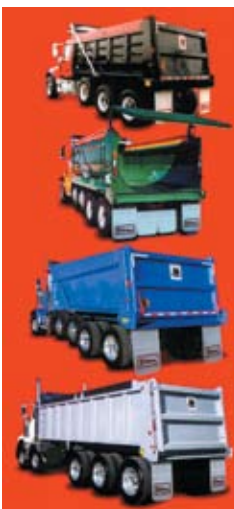

FROM LIGHT DUTY TO EXTRA HEAVY DUTY APPLICATIONS, YOU WILL FIND A BIBEAU

DUMP BODY TO MEET ALL YOUR NEEDS AND EXPECTATIONS.

GROUPE BIBEAU, INC., manufacturer of the Bibeau dump body, offers a wide selection of dump bodies and other related equipment for the trucking industry. Bibeau dump bodies are manufactured in various sizes and configurations. Every model of Bibeau dump body is designed and constructed to meet a specific type of work and application.

The standard construction of all Bibeau dump bodies includes: unibody construction using top quality materials, continuous welds throughout, integrated conduit for heating, a door latching or cartridge system ready for pneumatic hook-up, shot blasted and primed with a highly resistant industrial primer, etc..

Truck Bodies

Commercial Grade Truck Equipment

**** LIFETIME WARRANTY ****

Cranes

Truck Boxes & Accessories

Quality Service Bodies for the Long Haul If your business depends on trucks, you can depend on RKI.

RKI cranes are used by the nation's premier fleets. With lift capacity ranging from 2,000 to 6,400 pounds, one of our cranes is ideally suited to your most demanding requirements.

Our steel truck boxes are crafted from 14-gauge (minimum) steel with stainless steel hinges and full-size stainless steel paddle latches, and come with a tough polyester powder coat finish available in black or white. RKI aluminum truck boxes use bright-diamond treadplate aluminum and have sealed gas shock lid supports. These are also available in black or white powder coat.
