## TIPS TO HELP PREPARE FOR FALL

### Air Dryers

Replacing your air dryer is important! It collects & removes solid, liquid, & aerosol contaminants such as water and oil before they enter the air brake system and jeopardize efficient operation.

### Headlamps

Replacing foggy Headlamps improves visibility when working the fields or driving in limited visibility weather. Vander Haag's offers thousands of headlamps for all makes and models. We can even change them out for you.

### Grain Trucks

Efficiency is the name of the game at harvest-time, and having a semi truck and wagon adequately sized to move the right amount of grain for your operation is key.

## DID YOU KNOW?

### TRUCKS

As a licensed truck dealer we have experience stocking the best selection of trucks around. We carry manufactures such as Freightliner, International, Peterbilt, Volvo, Kenworth, Sterling & more.

### TRAILERS

Find that flatbed, dolly, van, hopper, utility, or construction trailer you've been looking for. We carry trailer options from manufacturers like Maurer, Jet, Stoughton, & More.

### CUSTOMIZE

Enhance your trailer features with our electric roll tarp or electric hopper conversion kit. We can install it for you right in our own service shop. We can install your grain box, silage box or about anything you want.

### EQUIPMENT

In the market for construction equipment? We've got it! Terex, Case, Gehl, John Deere, and Genie, & More.
