

Thank you for choosing NevilleBuilt for your new trailer purchase. We sincerely appreciate your business and hope this trailer will meet your hauling needs.

WARRANTY POLICY

Neville Welding Inc. warrants each new Neville Built Trailer to be free of defects and workmanship, under normal use and service, to the original purchaser according to the Warranty Schedule below. Our obligations and liabilities under this warranty are expressly limited to repair or replacing, at our option, any part which, in our judgment, is in fact defective.

With respect to component parts, materials or accessories supplied by manufacturers other than Neville Welding, Inc. including, but not limited to, tires, tubes, suspensions, axle assemblies, wheels, bearings, landing gears, brakes and linings, air brake valves and tarps, the respective manufacturer's warranty will apply.

Neville Welding, Inc. shall not be liable under this warranty if the trailer, or any part thereof, was involved in an accident, or subjected to abuse, misuse, overloading or extraordinary use of any kind.

Neville Welding, Inc.'s obligation under this warranty shall not include transportation charges, delays, cost or fees, or any liability for direct, indirect or consequential damages to person, product or property.

No representative of Neville Welding, Inc. has the authority to change the terms of the warranty in any manner or grant any other warranty.

WARRANTY PROCEDURE

If a customer who purchased a NevilleBuilt trailer comes to your business with possible warranty problems, please follow the following guidelines. Failure to follow these guidelines may jeopardize coverage by Neville Built Trailers.

1. Obtain trailer serial # and date of purchase.
2. Identify problem, if possible. (For example, air system failure, light burned out, etc.)
3. Contact Marvin or Dick Neville at Neville Welding Inc. at 800-301-3487 or 620-532-3487 for approval.
4. Approval for repairs must be made by Neville Welding Inc. before repairs are made.
