Double Tank Trailers

Neville Built offers double tank trailers in standard lengths of 40' or 42' (shorter or longer lengths can be custom built also). The standard 42' has a 15' long by 102" wide working deck space for a pump, mixing equipment, chemicals, seed or whatever else may be needed. Tandem axle configurations in spring or air-ride, as well as spread axle or tri-axle options are available.

Standard Specifications:

- New 25,000# rated axles (16 ½" x 7" brake)
- Hutchens spring suspension with heavy duty springs (Ridewell air-ride optional)
- 1 1/8" apitong floor (on working deck)
- PPG epoxy primer and black polyurethane paint
- Grote sealed wiring system with rubber mounted LED lights
- Jost 2-speed H.D. landing legs
- Aluminum front fenders and poly rear fenders
- 3,210 gal. Norwesco 100% drainable tank with sight tube (optional)
- Aluminum ladders for tank access (optional)
