SPECIAL INVENTORY / DISMANTLE INSTRUCTIONS

Axle Housing (Front)

Meritor RD23160 - Salvage lead, check your inventory for QNTY of part type 4409 in Rd23160. If you have 2 shelved thru shafts for rd23160 dismantle does not need to pull. If you have less than 2 instruct dismantle to pull the thru shaft and send through the warehouse for inspection and inventory. Describe housing as "less thru shaft."

Example SKU: 24675818

Headlamp Assembly

This unit has inventoried headlamps! Don't throw the hood away with the headlamps in it, or shelf it with the headlamps in it. Remove them and send them through the warehouse process for more pictures, and shelving so that the yardtechs don't have to go digging through hoods to find them, or we don't sell them later and find out you threw them away.
