Aluminum Commercial Grain Body

No body built like it! No body lasts like it!

Aluminum Commercial Grain Body

18 Month Warranty!

KANN Commercial Grain Bodies are carefully manufactured resulting in a dependable and durable product. With a 92 IN interior clearance and square corners, these units are ideal for both palletized and bulk loads. We take special care to eliminate any obstructions which could tear or damage bags.

PLATFORM

- 8 IN channel longills
- 4 IN crossmembers on 15 IN centers
- Large gussets overlap crossmembers
- Aluminum I-beam floor planks 1-1/4 IN deep and forklift rated
- One piece extruded rubrail

SIDEWALLS

- One piece walls .100 thick
- Free Flow design for complete cleanout
- One piece extruded top rail with internal ribbing for superior strength
- Recessed and reinforced tarp bow sockets
- Tarp bows: one piece steel 1-1/2 IN diameter on 36 IN centers
- Extra heavy duty diagonal corner posts 0.190 thick
- Rear corner filets for added strength; better clean-out

REAR

- Three-piece, recessed doors
- Extra wide center rear door
- Heavy duty door seals
- Extruded hinges with grease fittings
- 8 IN header: swing or removable
- Tight sealing cam latches
- Deluxe full width 8 IN bumper with tail lights, back-up lights, and rubber dock bumpers

OPTIONS

- Two piece doors
- Mounting kit
- 102 IN wide body
- 60-72 IN sides
- Ladder
- Roll tarp
- 12 IN, 18 IN, and full scuff liners
- Crossmembers on 12 IN centers
- Heavy duty top rail

SPECIFICATIONS

Capacities and weights are based on 60 IN sides. All units are 96 IN wide.

LENGTH (FT)	14	16	18	20	21	22	24	26
APPROX. BU								
CAPACITY APPROX.	450	515	579	643	675	707	772	835
WEIGHT (LB)	1450	1575	1700	1825	1888	1950	2075	2450

SPECIFICATIONS SUBJECT TO CHANGE WITHOUT NOTICE

- 66 IN sides will increase capacity by approximately 3-1/4 BU per FT of body length.
- 72 IN sides will increase capacity by approximately 6-1/2 BU per FT of body length.
