

## Caterpillar® 3406E/C15 Diesel Engines

Sample image

### APPLICATIONS

The Cat C15 is used in many applications of industrial equipment for model years 2000's and up.

Reviva utilizes state of the art machines and machining methods to ensure quality. All components are magnafluxed, inspected and machined to OEM specifications.

Blocks are magnafluxed, upper & lower counter bores are repaired as needed, the deck is resurfaced and the align bore is honed to OEM specifications.

Cylinder heads are magnafluxed, pressure tested, and new valve guides and new valves are installed in every head and valve seats are machined to OEM specs then vacuum tested to ensure quality.

Crankshafts are magnafluxed, straightened if needed and polished or ground undersized.

Connecting rods are magnafluxed new rod bushing installed and machined to OEM specification.

All Reviva engines are assembled in the USA.

### TO PLACE AN ORDER

Before calling to request price and availability, please gather the following information:

- The original machine serial number
- The original engine serial number
- The original engine AR number

The AR and serial numbers are located on the valve cover.

### QUALITY PROCESSES

Every engine is machined using state-of-the-art equipment and assembled using precise and repeatable methods. All engine production follows documented lean manufacturing processes and principles to create consistent quality and dependable outcomes.

### BASIC LONG BLOCK INCLUDES:

- Block
- Crankshaft
- Cylinder Head
- Pistons
- Rods

### WARRANTY COVERAGE

Long Block configurations:  
1 year/unlimited mileage.

Motorhome/RV Applications: 1 year parts only  
(No labor or diagnostic reimbursement)

*Some restrictions apply; see limited warranty details or call for more information.*

### CORE RETURN CRITERIA

- If there are visual holes or cracks in the block there will be a 50% core charge back.
- Core charges are refunded within 48-hours after Reviva receives your core.
- Crank must rotate

\*\*\*\* Round-trip freight prepaid within the Continental US\*\*\*

## PAYMENT PLANS IN 60 MINUTES

**If you need financing for your engine and installation, Northland Credit can customize a finance package to meet your needs.** For over 50-years Northland Credit Corporation has been a leading commercial equipment lender in North America. Northland Credit offers financing options that can include the engine and install expenses.

### HERE'S HOW THE PROGRAM WORKS:

Contact Northland Credit using the below links and contact information.

Complete the Northland Credit application and begin discussions about your specific and unique needs.

Be prepared to provide Northland Credit with certain documents that include the engine purchase quote and install expenses.

Financing is between you, the buyer, and Northland Credit. All communication and documents are confidential between the two parties.

Within 60-minutes Northland Credit will provide a financing program and next steps to the end-buyer.

When approved, Northland Credit will directly fund the service provider and engine seller, to the agreed terms of the financing program.

Please click on the link below to get started with your application. If you have questions, please call the Northland Credit Corporation telephone number below or click on the email link to leave them a message.
