*Where applicable

Caterpillar 3208 Turbo

3208 ENGINE APPLICATIONS

Caterpillar 3208 engines are used in many work applications such as delivery trucks, dump trucks, garbage trucks, snow plows, flatbed trucks and school buses. The 3208 is also used in many agricultural and industrial applications such as lift trucks, ag sprayers, cranes, power units, generator sets, tractors, excavators, wheel loaders, compactors, articulated trucks and backhoes.

TO ORDER

Before calling to request price and availability, please gather the following information from the data tag located on the valve cover:

- Turbocharged or naturally aspirated
- Serial number
- Arrangement number
- O.T. number
- Vehicle/equipment make and model
- Horsepower rating
- Full load RPM
- High idle RPM
- Static rack setting
- Sump location (front, rear, center)
- California model with EGR (if applicable)

To gather the most accurate information, please utilize the engine configuration sheet located on our website.

CUSTOM CONFIGURATION

Reviva will custom build many Caterpillar 3208 engines. Reviva has now added custom build engines for the higher (above 250HP) horsepower units. For more information contact Reviva at 877-357-7634.

2 year/unlimited mile warranty

On Complete Drop-In configurations,

2nd year long block coverage only

Some restrictions apply; see limited warranty details or call for more information.
